

How Nasty It Can Be In US Political Theater_Part 4

*This is The Realist People of Lancaster, PA think of what is privilege? ...
What do you think?*

Let the gays get married.
Let the rednecks have their guns.
Let the atheists be atheists.
Let the Christians be Christians.

America is about FREEDOM.
Freedom to live your life as you please.

So smoke a bowl, eat a greasy burger,
shoot your guns, praise Jesus and wish
those two fellas next door a happy honeymoon.

It's only when people FORCE their ways on others
that problems begin. It never ceases to amaze me
how many full grown adults don't understand that.
